The Junior League of Long Island serves its mission through direct service projects, advocacy, training, grants, and partnerships with other Long Island organizations. JLLI's projects include Kids in the Kitchen, to promote the health and wellness of children; First Step, to support and train women transitioning out of shelters and halfway houses and into the workforce; and Project Playground to finance and build playgrounds for communities of need in Nassau and Suffolk counties. Our commitment has remained unwavering: to develop exceptionally qualified civic leaders who can identify a community's most urgent and pressing needs and address them with meaningful and relevant programs and initiatives that not only improve lives but change the way people think.

*The Junior League of Long Island is affiliated with **The Association of Junior Leagues International®**, one of the oldest, largest and most effective women's volunteer organizations in the world, has matured and evolved since it was founded by social activism pioneer Mary Harriman in 1901. Our organization has been instrumental in championing many positive impacts on the community including education and literacy programs, children's cultural development, school nutrition, vaccinations, the Clean Water Act, and heightened awareness around domestic violence and alcohol abuse.*

**The Junior League of Long Island®** is affiliated with the Association of Junior Leagues International® Headquartered in the Village of Roslyn, the Junior League of Long Island® and every year we partner with local long island nonprofits to help and give back. The Junior League of Long Island® is designated as a 501 (c) (3) non-profit organization. Our purpose is exclusively educational and charitable. Tracing its origin's to 1951, the Junior League of Long Island® has over 200 members in Nassau and Suffolk counties. Our purpose is exclusively educational and charitable.
